

# 2021 The 3<sup>rd</sup> International Conference on Water Resources and Environmental Engineering (ICWREE2021)

November 24-25, 2021 | Hong Kong, China | [www.wree.org](http://www.wree.org)

## ICWREE

2021 The 3<sup>rd</sup> International Conference on Water Resources and Environmental Engineering (ICWREE2021) will be held on November 24-25, 2021 in Hong Kong, China. 1<sup>st</sup> ICWREE2019 had been held in August, 2019 in Singapore. Due to COVID-19, 2<sup>nd</sup> ICWREE2020 had been held as a webinar on September, 2020.

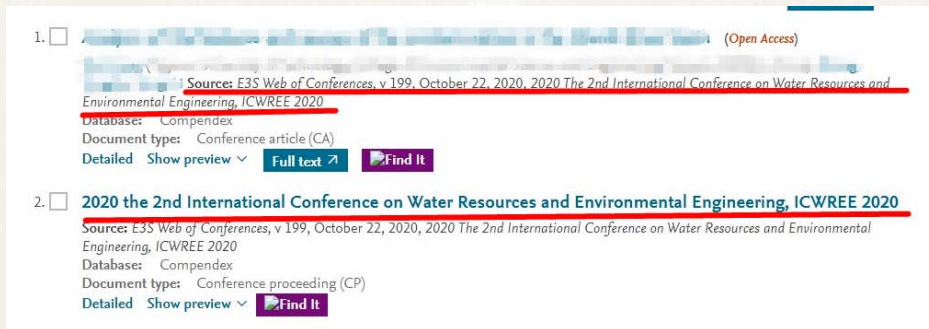

ICWREE aims to provide a platform where academics and practitioners from cross disciplinary fields from education, environmental protection industry and business can come together and collaborate. The event will encourage the exploration of the potential synergies that may arise from pooling the different perspectives.

## Conference Proceeding

All the accepted FULL PAPER for ICWREE2021 will be published on E3S Web of Conferences [eISSN: 2267-1242].

The organizing committee of ICWREE2021 will select excellent paper to be published in SCI Journals, the SCI Journals submission deadline is to [cfp@wree.org](mailto:cfp@wree.org). The other SCI Journals about Environment and Water, please contact us via [cfp@wree.org](mailto:cfp@wree.org) to get further information.
